Re: Toxic Release Inventory – FOIA Request

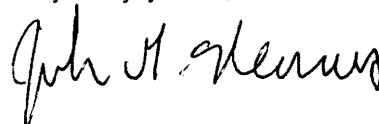

Dear Ms. Alkon:

Veris Gold Corp. requests, pursuant to FOIA, all of the information the U.S. EPA is relying upon to support its TRI enforcement action against Veris, including, but not limited to, all of the correspondence or other documentation relating to Queenstake/Veris' prior TRI submittals.

Please also include documentation of any and all efforts EPA undertook to access the data submitted by Queenstake for 2007. Please also take steps to obtain and secure the disk Queenstake submitted and we also request that in your response EPA confirm that it has the disk and has secured it.

Please do not hesitate to contact me if you have any questions or wish to discuss the scope of these requests.

Very truly yours,

John G. Nevius
